

Resident Ambassador Program 2024

About:

As a Resident Ambassador, you will engage and educate residents of Columbus' South Side on healthy lifestyles, workforce resources, and local programs and services that promote health and well-being. As a South Side resident yourself, you will provide valuable information to your community that increases their awareness and use of local resources available in the South Side. This includes food assistance programs, recreation and fitness centers, exercise programs, healthcare, workforce training programs, employment opportunities and other critical resources.

The Details:

- The Resident Ambassador Program will run from February – May 2024.
- Resident Ambassadors are expected to work 8-10 hours per month on outreach and engagement (takes place on your own schedule).
- After training, Resident Ambassadors will engage South Side residents through one-to-one conversations, group presentations, and participation in community events to conduct outreach.
- Information on community resources and programs will be provided to Resident Ambassadors.
- Resident Ambassadors will be compensated up to \$150 per month for successfully completing required deliverables.
